

**REQUEST FOR PROPOSALS to the Utah State Legislature
Consultant for Feasibility Study on Privatization of Portions of the Utah State Hospital and
the Utah State Developmental Center, 2009-02**

ADDENDUM 7

Addendum Date: March 18, 2010

A slight modification will be made relating to the oral presentations, scheduled for Monday, March 29, 2010. The presentation place and times remain the same. However, it has been determined that each presentation will not be open to the public or to competing proposers. This will permit proposers to more freely discuss the content of their proposals without giving an unfair advantage to competitors. Upon arriving to make a presentation, each proposer shall report to the receptionist in room W210 of the House Building at the Utah State Capitol Complex in Salt Lake City, Utah (the room is labeled "Office of Legislative Research and General Counsel" above the door). Parking is available in the northeast lot of the capitol complex. Proposers will be escorted to a room to wait until they make their presentations. We will not designate the content or format of the presentations. The purpose of the presentations is to better enable the EAC to determine the most qualified proposer.
